who will enroll in the 2019/20 academic year

1st TOPoliTO call - 1st Master of Science intake a.y. 2019/20

Updated Final lists of standings and scholarships assignment

These lists of standings are based on the requirements and deadlines included in the ToPoliTO scholarships – announcement of selection for international students who will enroll in the 2019/20 academic year.

The lists of standings aims to finally assign TOPoliTO scholarships.

These lists of standings are published on the online Official Register of the Politecnico di Torino and on the TOPoliTO project website.

The affixing of the lists of standings to the online Official Register of the Politecnico di Torino and on the TOPoliTO project website is, for all intents and purposes, the only official notification of inclusion in the lists of selections and, for students with the appropriate qualifications, the only official communication that they are eligible for a scholarship. The Politecnico di Torino assumes no responsibility for the applicant's failure to view the lists of standings and/or the terms for the acceptance of the scholarships as published on the websites above.
