Direzione Studenti e Didattica
FRANCESCA MACCARIO
Dirigente

Emanazione Bando "PoliTO&UNICORE 7.0 - UNIVERSITY CORRIDORS FOR REFUGEES from Ethiopia, India, Kenya, Malawi, Mozambique, Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe" – a.a. 2025/2026

LA DIRIGENTE

Visto il Decreto legislativo 14/03/2013, n. 33, recante "Riordino della disciplina riguardante gli obblighi di pubblicità, trasparenza e diffusione di informazioni da parte delle pubbliche amministrazioni";

Vista la Legge 6/11/2012, n. 190, recante "Disposizioni per la prevenzione e la repressione della corruzione e dell'illegalità nella pubblica amministrazione";

Visto lo Statuto del Politecnico di Torino emanato con D.R. n. 774 del 07/07/2019;

Richiamato il Piano Strategico PoliTO in transition che prevede di costruire un modello internazionale di accessibilità, equità e benessere, promuovendo la coesione sociale, una cultura della convivenza delle diversità e della qualità della vita in Ateneo ponendo particolare attenzione ai servizi specificamente rivolti a una comunità internazionale, quali quelli di mediazione culturale e gestione delle situazioni di emergenza o fragilità

Tenuto conto che il Politecnico di Torino, con l'Università degli Studi di Torino, l'Università del Piemonte Orientale e l'Università di Scienze Gastronomiche, è stato tra le prime università italiane firmatarie del Manifesto dell'Università Inclusiva promosso dall'UNHCR per garantire migliori condizioni di vita, studio e lavoro ai rifugiati e ai richiedenti asilo che sono stati accolti in Piemonte;

Considerato che il Progetto UNICORE, tramite la creazione di Corridoi Universitari per i Rifugiati, mira a:

- promuovere e aumentare le opportunità per gli studenti rifugiati che vivono nei paesi di primo asilo di ottenere visti per studio e scholarship in Italia, attraverso iniziative offerte da università e/o enti di istruzione superiore
- rafforzare un ingresso sicuro e legale per i rifugiati in possesso di un titolo accademico che desiderano proseguire gli studi in Italia frequentando un corso di laurea magistrale

Tenuto conto che, con l'adesione a UNICORE 7.0 i partner del progetto si impegnano a concedere agli studenti rifugiati l'ingresso in Italia, una borsa di studio

Politecnico di Torino - Corso Duca degli Abruzzi 24, 10129 - Torino, Italia
Tel. +39 011 090 7015
studi.direzione@polito.it - www.polito.it

e servizi primari (assistenza, alloggio, ecc.) durante il loro soggiorno, nonché ad accompagnarli durante il loro percorso di studi e di inclusione sociale in Italia, al fine di contribuire al rafforzamento di società inclusive e accoglienti;

Considerato il DR n. 258/2022 del 22/03/2022 relativo a "Ulteriori misure per facilitare l'accesso e l'iscrizione ai Corsi di Studio da parte di rifugiati, beneficiari o richiedenti protezione internazionale";

Tenuto conto, nelle more della sottoscrizione dei protocolli locali, delle conferme degli impegni da parte di Diaconia Valdese CSD e dell'Ufficio Pastorale Migranti (UPM) dell'Arcidiocesi di Torino a supporto al Politecnico per la realizzazione delle azioni previste dal progetto UNICORE 7.0;

Tenuto conto che la Vice Rettrice per le Pari opportunità, l'Inclusività e la Qualità della vita in data 28/02/2025 ha approvato l'adesione al progetto UNICORE 7.0 e lo stanziamento di n. 3 borse di durata triennale dell'importo totale di 30.000€ ciascuna, a valere sui fondi del lascito Bonicelli, progetto contabile 01_PAF_POLIZZA_BONICELLI per le borse assegnate sull'Area dell'Ingegneria, e sui fondi del progetto 01_INTE. UZBEKISTAN per le borse dell'Area Architettura. L'importo annuale di ciascuna borsa sarà di 10.000 euro.

DETERMINA

Art.1 - L'emanazione del Bando "PoliTO&UNICORE 7.0 - UNIVERSITY CORRIDORS FOR REFUGEES from Ethiopia, India, Kenya, Malawi, Mozambique, Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe" – a.a. 2025/2026 allegato alla presente Determina di cui costituisce parte integrante.

n. Allegati: 1 (Bando Unicore 7.0)

PoliTO & UNICORE 7.0

UNIVERSITY CORRIDORS FOR REFUGEES
from Ethiopia, India, Kenya, Malawi, Mozambique,
Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda,
Zambia and Zimbabwe

**Call for applications for 3 study grants and welcome
services for refugee students enrolling in a
Master of Science Program taught in English
for the Academic Year 2025-2026**

BACKGROUND

The project University Corridors for Refugees UNICORE 7.0 is promoted by Italian universities with the support of UNHCR, Italian Ministry of Foreign Affairs and International Cooperation, Caritas Italiana, Diaconia Valdese, Centro Astalli and other partners.

It aims at increasing opportunities for refugees currently residing in Ethiopia, India, Kenya, Malawi, Mozambique, Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe to continue their higher education in Italy.

Art. 1 – Objective and Project Partners

The general objective of the UNICORE 7.0 Project is to promote the right to higher education for refugees through study corridors from Ethiopia, India, Kenya, Malawi, Mozambique, Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe to Italy.

The project is jointly promoted by a consortium of **National** and **Local** partners:
- United Nations High Commissioner for Refugees (UNHCR)
- Caritas Italiana
- Waldesian Board (member of the Italian Federation of Protestant Churches)
- Centro Astalli per Rifugiati (Italian branch of the Jesuit Refugee Service (JRS)
- Gandhi Charity
- Italian Ministry of Foreign Affairs and International Cooperation (MAECI)
- Italian universities signing the cooperation agreement for the project "University Corridors for Refugees - 7.0, including the Politecnico di Torino
- Ufficio per la Pastorale dei Migranti (UPM) dell'Arcidiocesi di Torino

Art. 2. – Admission requirements

The benefits are intended for students who:
- currently live in Ethiopia, India, Kenya, Malawi, Mozambique, Namibia, Niger, Nigeria, South Africa, Tanzania, Uganda, Zambia and Zimbabwe;
- have been recognized the refugee status in these countries in collaboration with UNHCR;
- have a Bachelor's degree (level 6 EQF) or an equivalent academic qualification awarded by an accredited foreign university after at least 15 years of previous education (primary and secondary plus university);
- hold a degree obtained in or after 2020 and no later than April 18th, 2025;
- have a Grade Point Average (GPA) of at least 3.0 according to the Country of graduation tertiary education grading system and equivalent to 24/30 referred

to the Italian System, according to the comparable table (**Annex 2**) issued by the Italian Ministry of Education;

- meet Politecnico di Torino curricular requirements and have an academic performance considered suitable for admission to the Master's degree program they want to apply for (**please check the ENTRY REQUIREMENTS PER COURSE 2025/26 as listed in Annex 1**);
- have never before been enrolled in a Degree Program at Politecnico di Torino or any other Italian University;
- hold an English Language Certificate (level B2 or higher https://didattica.polito.it/inte/en/apply_msc_lang) or a signed declaration about English language proficiency (see **Annex 3**).

Art. 3. - Supports and benefits offered to the winners

3.1 - Amount, number and duration of the scholarships

Politecnico di Torino will support winners with **3 scholarships supported by a legacy in memory of Guido and Alessandro Bonicelli** in case of Engineering students or by the **University funds** in case of Architecture/ Urban and Regional Planning students.

The Gross Amount of the scholarship is **10.000** € per year for the 2 years of the program. **The amount net of all charges for the beneficiary account is 9.216,58 € per year**.

The awarding of the scholarship for the second year is subject to the achievement of academic merit requirements (art. 7.2).

The 3 available scholarships will be distributed with at least 1 to a female student enrolled in Engineering/Architecture/ Urban and Regional Planning MSc. In the event that there are no female candidates all scholarships may be awarded to candidates from other categories.

3.2 – Other benefits

Beneficiaries of the UNICORE 7.0 project will benefit of the following services:

Provided by Politecnico di Torino:
- exemption from Politecnico tuition fees for a.y. 2025/26 and 2026/27;
- free Italian language Course provided by the Language Center of the Politecnico;
- assistance of the staff of the Politecnico for any problem related to academic career and enrolment procedures;

- bureaucratic assistance in the application for the Italian residence permit provided by Politecnico Immigration Desk;
- accommodation in one of the EDISU Piemonte facilities. The monthly cost is approximately €245.50, which will be paid directly by the student.

Provided by DIACONIA VALDESE CSD:
- coverage of the expenses for the taxes collected by the Politecnico and transferred to other institutions (premium for accident insurance, enrollment revenue stamp and EDISU Piemonte);
- full coverage of the expenses to obtain and renew the Residence Permit (118,46 euro per year);
- coverage of the expenses to take out a Health Insurance for the entire duration of the master of science program;
- annual City Public transportation subscription for the first months prior to the payment of the scholarship;
- support for the bureaucratic procedures and for the access to local and extra-academic services;
- purchase of a telephone SIM and payment of the first month's subscription;
- orientation to extra-academic activities and support for social inclusion;
- pocket money (100 euro) at arrival;

Provided by UFFICIO PASTORALE MIGRANTI (UPM) dell'Arcidiocesi di Torino:
- facilitation space for listening, information, orientation and support to access local services with particular reference to healthcare services provided by the volunteer associations with which it operates in collaboration;
- social inclusion through socialization and cultural activities;
- didactic support and Italian language courses provided by volunteers with adequate skills and professionalism;
- monthly supply of food parcels;
- accompaniment service to the assigned accommodation.

Art. 4 – Incompatibilities
The UNICORE 7.0 study grants cannot be combined with:
- merit-based study grants/prizes issued by the Politecnico di Torino for the support of international students;
- study grants issued by the Ministry of Foreign Affairs and International Cooperation (MAECI);

- scholarships offered by the Conference of Italian University Rectors - CRUI in favor of international protection holders;
- study grants issued by foreign governmental bodies or institutions aimed at assisting the enrolment of international students at Italian Universities;
- scholarships offered by Ente Regionale per il Diritto allo Studio Universitario (EDISU Piemonte);
- any other scholarships that infringes the regular participation to the project UNICORE 7.0.

Art. 5 – How to apply and deadlines

Students are allowed to apply to a maximum of **two** universities among those participating in the UNICORE 7.0 project, including Politecnico di Torino. This is a mandatory requirement: non-compliance with this clause will cause the immediate rejection of the application.

Moreover, students are allowed to apply for a maximum of **two** Politecnico di Torino **Master of Science programs entirely taught in English** (see **Annex 1**).

Application Form

Candidates who meet the admission requirements listed in Art. 2 are invited to fill in and attach all mandatory documents in the online application form available on the Unicore website:

https://universitycorridors.unhcr.it/courses/

Once the application has been submitted, a confirmation email to the mailbox indicated in the online form will be sent. Incomplete or incorrect applications will not be taken into consideration.

Applications can be sent **from 3rd March 2025 to 18th April 2025 at 12:00 p.m. (noon, UTC+2)**.

List of **MANDATORY DOCUMENTS** to attach in the application form:

1. UNHCR Refugee card or Proof of Registration
2. Official Degree certificate or official university document stating the date of graduation and program
3. Official transcript of exams passed and grades
4. GPA documentation (each semester GPA)

5. GPA documentation (cumulative GPA including official information on the grading system adopted by the University such as minimum score to pass an exam and maximum obtainable score)
6. Curriculum Vitae
7. Motivation letter
8. English Language Certification: IELTS 5.5 or equivalent certificate (https://didattica.polito.it/inte/en/apply_msc_lang) or signed declaration about English language proficiency (see **Annex 3**)

List of **NON-MANDATORY DOCUMENTS** to attach in the application form:

1. Italian Language Certification
2. Letter of Reference
3. Video CV: applicants are warmly recommended to shoot a short video CV (e.g. using mobile phone) where they introduce themselves and their motivations. The link of the video must be put in the CV document (document n. 6). Examples on how to create a video CV can be found in Google.com.
4. Any relevant and additional document required by the specific Master of Science program chosen (i.e. **Syllabus and/or Portfolio**, please see **Annex 1**). The Syllabus/Course description is a document issued by the university that you have attended that describes in details the content of each subject you studied. PDF-FORMAT syllabus downloadable from the official university website can be also accepted: in this case please make sure that the link works properly.
5. Other documents you think are relevant to fully evaluate your profile

In this phase, any translation of documents edited in languages other than English, Spanish, French or Italian can be done directly by the candidates.

Art. 6 – Selection process and scholarship assignment

The selection process is divided into two steps:
1. Evaluation of the documentation
2. On-line interview

6.1– Evaluation of the documentation.

The Recruitment and Admissions Unit verifies admission requirements and that all mandatory documents are attached in the application.
Completed applications will be sent to the UNICORE BOARD. The UNICORE BOARD assesses applications considering academic qualifications, in order to verify if they meet

the Politecnico di Torino entry requirements in terms of academic quality and coherence of curriculum for the specific program each candidate has chosen.

The UNICORE BOARD will evaluate the application according to the following criteria:

- Academic background and GPA (score: 0-20);
- Evaluation of CV: professional experience and personal skills (score: 0-10);
- Coherence between previous studies and selected Master of Science program (score: 0-10).

Candidates receiving a score of less than 25 will not be admitted to step 2 of the selection process.
Candidates admitted to Step 2 will be notified by email.

6.2 – On-line Interview

Candidates admitted to step 2 will be interviewed by the UNICORE BOARD, who will evaluate their technical skills, knowledge of the subject and level of English. Interviews will be graded on a scale of 40 points.

Interviews will be held on-line in between **12th May and 13th June 2025**. Candidates will be notified by email about the exact date and time of the interview.

Candidates are requested to present themselves for interview with the Ration Card Number or the Refugee Identity Card uploaded in the on-line application. A third party must be present at the beginning of the interview to identify the candidate.

6.3 – Provisional ranking and scholarship assignment

The UNICORE BOARD will elaborate the ranking combining the score obtained in step 1 and step 2. Candidates will be ranked in a descending order of scores.
As the 3 available scholarships are awarded on a gender balance ratio, the UNICORE BOARD will elaborate different rankings according to the gender of the candidates.
Scholarships will be assigned according to the order of each ranking.
Only in the case that the list of eligible candidates does not include any representatives of one gender, the scholarships can be awarded to representatives from other categories.
For equal points, preference will be given to the younger candidate.

The provisional **ranking of eligible candidates** will be published at the link https://www.polito.it/en/education/international-students/refugees-and-refugee-like/unicore **within 13ᵗʰ June 2025**.

6.4 – Acceptance and final ranking

Winners must **accept** via written email the scholarship **within 20ᵗʰ June 2025**.

By accepting the scholarship, the candidate declares to be compliant with the admission requirements established by UNICORE 7.0 as well as with the conditions indicated in this call for applications.

The candidate also declares under his own responsibility that he/she does not fall under any of the incompatibility conditions listed in Article 4 of this call for applications.

Failing to provide a feedback by the given deadline will cause the loss of the scholarship.

If one or more final selected candidates withdraw from the scholarship program by the given deadline, the Politecnico di Torino will assign the scholarship to the next eligible candidate.

The **final ranking** will be published at the link https://www.polito.it/en/education/international-students/refugees-and-refugee-like/unicore **within 30ᵗʰ June 2025**.

6.5 – Ranking scroll and reserve list

If there are no more candidates in the reserve list, Politecnico di Torino might decide to search for eligible candidates from rankings of other University partners of UNICORE 7.0. and to award them the scholarship.

Eligible candidates from external rankings must meet the specific requirements of the degree programs offered by Politecnico di Torino (see Art. 2).

Art. 7 – Payment and maintenance of the scholarship

7.1 - Scholarship payment

The scholarship is finally assigned and paid only:

- after completion of all enrolment procedures in a Master of Science program of Politecnico di Torino in the first semester A.Y. 2025/26 as a full-time student;
- after student arrival in Torino.

In particular, payment of the scholarship is subordinate to:

- the possession of the admission requirements and relevant documentation for enrolment for A.Y. 2025/2026;

- for the registration in the second academic year, the possession of the maintenance requirements explained in art. 7.2;

> If the student does not complete all the enrolment procedures, for any reason, he/she will lose the right to the scholarship.

Payment of the scholarship will occur in monthly instalments, covering the academic year (October 2025 - September 2026) as follows:
- 1st payment period: October 2025 - September 2026;
- if scholarship is maintained for second year: October 2026 -September 2027.

In order to receive the payment, scholarship recipients will be required to open a bank account in their name in an Italian bank or post office.

7.2 - Scholarship maintenance
In order to obtain the confirmation of the scholarship for the second academic year, students must meet the following requirements:
1. have a satisfactory academic performance level, in particular, achieve at least 30 credits (CFU) by 30th September 2026;
2. extra curricula or recognized credits (i.e. exams passed in a previous university career), credits related to language exams or recognized language certification, even if taken in Politecnico di Torino, will not be considered in the minimum number of achieved credits/exams;
3. register as a full-time student in the second year in the A. Y. 2026/27 of the same Master of Science program of first enrolment. Internal transfer is possible only to the second Master of Science program selected in the online application and only if the student is eligible for such program;
4. not having been assigned any other Italian or foreign scholarships (including scholarships of the Ente Regionale per il Diritto allo Studio Universitario – EDISU Piemonte, MAECI, etc.).

> Students must graduate within the last available session of their cohort, i.e. December 2027

7.3 Additional Renewals
Students who do not succeed to graduate within December 2027 can request a 12 months extension of the scholarship, at the condition to have earned at least 80 university credits by 30th September 2027. Extension request must be submitted to

unicore@polito.it and the UNICORE BOARD will evaluate the additional renewals and its duration.

7.4 - Withdrawal
Selected refugee students who will withdraw from the degree program during their studies will automatically lose all benefits of the scholarship.

Art.8 - Treatment of personal data
In accordance with the General Data Protection Regulation (EU Regulation 2016/679 – GDPR) and the "Code on the protection of personal data" (D.R. no.196 of 30th June 2003 and further amendments), Politecnico di Torino (Data Controller) shall process applicants' personal data exclusively in pursuit of its institutional aims and for the transparency purposes imposed by the law. Personal data shall be processed in accordance with the principles of lawfulness, fairness and data minimization. The University policy on the processing of personal data is available at https://www.polito.it/en/privacy/privacy-policies or address to privacy@polito.it

Art.9 – Officer in charge of the administrative procedure
According to art. 5 of Italian Law n. 241 of 07/08/1990, the official in charge of the administrative procedure concerning this call for application is Alessandra Berlese.

Art.10 – Contacts
STUDI Department (Students and Education) - Recruitment and Admissions Unit: unicore@polito.it

ANNEX 1 - A. Y. 2025/2026 ENTRY REQUIREMENTS

Field of Study	Master of Science program	Language of the program	Language requirement (minimum score)	Recommended background to apply	Syllabus	Portfolio/Summary
ARCHITECTURE AND PLANNING	ARCHITECTURE CONSTRUCTION CITY	English	IELTS 5.5	Architecture	Recommended	Recommended
	ARCHITECTURE FOR SUSTAINABILITY	English	IELTS 5.5	Architecture	Recommended	Recommended
	ARCHITECTURE FOR HERITAGE	English	IELTS 5.5	Architecture	Recommended	Recommended
	URBAN AND REGIONAL PLANNING (Curriculum Planning for the global urban agenda)	English	IELTS 5.5	Urban and Regional planning, Urban Engineering, Geography, Civil Engineering, Environmental Engineering, Building Engineering, Architectural Engineering, Architecture, Landscape Architecture, Political sciences/Law, Geographic information systems	Recommended	Recommended
TERRITORIAL SCIENCES	DIGITAL SKILLS FOR SUSTAINABLE SOCIETAL TRANSITIONS	English	IELTS 5.5	Information Technology and Computer Sciences, Architecture, Landscape Architecture, Architectural Engineering, Urban Engineering, Urban Planning, Civil Engineering, Building Engineering, Environmental Engineering, Electrical and Electronics Engineering, Industrial Engineering, Economics and Accounting, Public Policy and Public Management, Media and Arts, Geography. ALLEGATO 5 AL D.M. N 313 DEL 20 MAGGIO 2016

TABELLA DI CONVERSIONE DEI TITOLI STRANIERI

VALUTAZIONE ESAMI

I candidati che hanno conseguito esami di laurea in una Università straniera hanno a disposizione sul sito http://www.universitaly.it/ un sistema di conversione dei voti ottenuti sulla base della seguente formula:

$$\text{Voto} = \frac{V\text{-Vmin}}{V\text{max-Vmin}} * (I\text{max} - I\text{min}) + I\text{min}$$

V= Voto da convertire

Vmin=Voto minimo per la sufficienza nell'Università di provenienza

Vmax= Voto massimo nell'Università di provenienza

Imin= Voto minimo per la sufficienza nelle Università Italiane (= 18/30)

Imax= Voto massimo nelle Università Italiane (=30/30)

Per le valutazioni su scala qualitativa si fa riferimento alla seguente scala di conversione:

Valutazione da convertire	Voto
A	30
B	28
C	26
D	23
E	18

VALUTAZIONE VOTO DI LAUREA

I candidati che hanno conseguito la laurea in una Università straniera hanno a disposizione sul sito http://www.universitaly.it/ un sistema di conversione dei voti ottenuti sulla base della seguente formula:

$$\text{Voto} = \frac{V\text{-Vmin}}{V\text{max-Vmin}} * (I\text{max} - I\text{min}) + I\text{min}$$

V= Voto da convertire

Vmin=Voto minimo per la sufficienza nell'Università di provenienza

Vmax=Voto massimo nell'Università di provenienza

Imin= Voto minimo per la sufficienza nelle Università Italiane (= 66/110)

Imax=Voto massimo nelle Università Italiane (=110/110)

Per le valutazioni su scala qualitativa la Commissione nazionale attribuirà un punto alle votazioni ricomprese nel quintile superiore sulla base della valutazione dei singoli titoli presentati.

COURTESY TRANSLATION:

Ministry of Education, University and research

Attachment 5 – conversion table for foreign titles

Evaluation of exams grades

Candidates who hold a title conferred by a foreign University can refer to the conversion system available on the website www.universitaly.it .

The conversion system is obtained using the following mathematical formula:

GRADE: G-Gmin/Gmax-Gmin * (Imax-Imin) + Imin

Where:

G: grade to be converted

Gmin: Minimum pass grade in the foreign grading system

Gmax: Maximum grade in the foreign grading system

Imin: Minimum pass grade for the Italian grading System (18/30)

Imax: Maximum grade in the Italian grading system (30/30)

For qualitative grades the following table is used:

A = 30

B = 28

C = 26

D = 23

E = 18

Annex 3 - English language proficiency

UNICORE 7.0 PROJECT
DECLARATION –ENGLISH LANGUAGE PROFICIENCY

First name:_____   Last name: _____

Place of Birth:_____   Date of birth:_____

Citizenship:_____

I hereby declare that:

- I do not have one of the English Language Certificates (IELTS 5.5 or equivalent) listed here https://didattica.polito.it/inte/en/apply_msc_lang but I have a good knowledge of the English language, including written and spoken English, that will allow me to attend a Master of Science in Politecnico di Torino

- I have a good knowledge of English because:

  ☐ English is my mother tongue
  ☐ English is the medium of instruction at the University where I got my degree
  ☐ I have the following English certificate: …………

- I am aware that my mastering of the English language will be assessed during the online interview and it will be one of the selection criteria, as specified in the Call for application.

I am fully aware that, if the Academic Commission confirms my eligibility for the Master of Science program(s) and I am awarded a UNICORE scholarship, in order to graduate and obtain the MS degree I will be required to get one of the English certificates listed here: https://didattica.polito.it/inte/en/apply_msc_lang

Moreover, I declare that, according to art. 13 of D.Lgs. 196/2003, I am aware that my personal data will be collected and processed, also by means of computer tools, exclusively with reference to the procedure for which this declaration is made.

Date ____/_____/2025   Signature_____
