PhD Programs in collaboration with **China Scholarship Council:** **CALL FOR PRE-SELECTION FOR CITIZENS OF THE PEOPLE'S REPUBLIC OF CHINA - ACADEMIC YEAR 2025/2026**

1. Announcement

Politecnico di Torino and the **China Scholarship Council** signed a Cooperation Agreement promoting the enrolment of Chinese graduates in Politecnico PhD Programs (academic year **2025/2026**).

Politecnico di Torino announces the opening of a preselection procedure for admission to the Ph.D. Programs for the academic year 2024/2025. The Admission procedure is reserved exclusively for citizens of the People's Republic of China.

The list of the PhD courses in the field of Engineering, Architecture, Design and Urban Planning for which applications are open is available at <https://www.polito.it/en/education/phd-programs-and-postgraduate-school/phd-programs>.

2. Pre-selection and selection

In compliance with the provisions set forth in the Cooperation Agreement between Politecnico di Torino and the China Scholarship Council, the selection is a two-fold process:

I. pre-selection at Politecnico di Torino;

II. selection by CSC.

The present call covers only the first step (pre-selection), which will be carried out exclusively online and aims to pre-select applicants willing to enroll in one of the PhD Programs available at Politecnico di Torino.

At a later stage, preselected applicants will then have to apply to the CSC call on the CSC website, according to the deadlines mentioned there, for prospective scholarship awarding.

3. Admission Requirements

The pre-selection call is open only to citizens of the People's Republic of China; overseas Chinese students may be eligible for application subject to CSC policy.

The candidates interested in a full-degree position at Politecnico di Torino and planning to apply for a CSC scholarship will have to meet the following requirements:

5. Application deadline for the pre-selection at Politecnico di Torino

The application and the supporting documents listed above must be submitted by **November 15th, 2025, at 2.00 p.m. (CET time)**.

6. Assessment procedure

Applicants will be assessed by a specific Admission Committee, appointed by the Rector and staffed by minimum three members chosen from among tenured faculty members and permanent researchers.

The names of the members of the Admission Committee will be available on Politecnico di Torino's website (<https://www.polito.it/en/education/phd-programs-and-postgraduate-school/admissions-to-phd-programs/admissions/evaluation-of-applicants>).

The Admission Committee preliminary verifies whether the applicants meet the admission requirements for the selection process listed in art. 3 above. The decision is based on the documents attached by the applicant to the application form.

This evaluation is possible only if the documents submitted by the applicant provide all the necessary information (type of degree, duration of the program, official name of the university which awarded the degree, date of degree conferral, grade etc.).

The Admission Committee may not admit an applicant to the selection process if the documents do not provide enough information for evaluation.

Applicants with admission requirements will be assessed based on their motivations, academic background, competencies, expertise and research skills, which can be deduced from the **documents attached to their application form and from the interview**.

7. Results of the pre-selection procedure

The list of eligible pre-selected candidates will be published on the following web page: <https://www.polito.it/en/education/phd-programs-and-postgraduate-school/admissions-to-phd-programs/admissions/results-and-ranking-lists>.

In the days following the publication of the pre-selection results, successful candidates will receive an eligibility letter that they must use to apply for a CSC scholarship.

**Politecnico
di Torino**

Nucleo
Dottorato di Ricerca

Only candidates who have obtained the scholarship by the CSC will be allowed to enroll at Politecnico di Torino through this call.

The final candidates selected by CSC will receive further instructions via email to complete the enrolment for the academic year 2025/2026; the same email will indicate the mandatory documents to be provided to Politecnico di Torino for enrollment in the PhD programs.

8. Processing of personal data

In accordance with the General Data Protection Regulation (EU Regulation 2016/679) and the "Code regarding the protection of personal data" (Legislative Decree No. 196 of 30th June 2003 and further amendments), Politecnico di Torino will process personal data in pursuit of its institutional aims based on the principles of correctness, lawfulness, and relevance of purposes.

More information on the processing of personal data is available at: <https://www.polito.it/privacy>.
